

JHOJAN SNAIDER APONTE JAIMES

Full Stack Software Developer

Bucaramanga, Santander, Colombia | 3177504271 | jhojanapo@gmail.com | [LinkedIn](#)

PROFESSIONAL PROFILE

Full Stack Developer experienced in modernizing enterprise systems under scalable architectures. Specialist in managing the full software development life cycle (SDLC), from initial analysis to deployment in Docker and AWS environments. Expert in solving complex technical problems with a focus on continuous learning.

TECHNICAL SKILLS

- **Backend:** .NET (ASP.NET 10), NestJS (Node 18), PHP (8.0), Perl.
- **Frontend:** Angular (v17-20), TypeScript, ActionScript.
- **Databases:** PostgreSQL, SQL Server, MySQL, Supabase.
- **DevOps/Tools:** AWS, Docker, Git, Linux, Jira, Postman.
- **Methodologies:** Scrum, PowerBI.

WORK EXPERIENCE

Full Stack Developer | Ocupasalud | 11/2025 – Present

- Modernizing internal software by integrating operational modules with high-precision financial systems and electronic invoicing.
- Developing scalable solutions with ASP.NET 10 and Angular 20, optimizing data persistence in PostgreSQL and SQL Server.
- Designing and implementing custom quality management systems for strategic sectors, ensuring institutional traceability and compliance.

Full Stack Developer | Tiresia Soluciones Tecnológicas | 10/2022 – 11/2025

- Promoted from support developer to full-time full stack developer for ERP, POS, and e-commerce systems.
- Integrated payment gateways and mobile applications using PHP 8.0, Angular 17, and NestJS.
- Responsible for project workflow management in Jira and deployment on intranet and Docker servers.

Freelance Projects | Present

- IoT + Cloud: Mobile app for parking management with IoT architecture.
- Happiness: Cognitive skills development app built with Kotlin and PostgreSQL (Supabase).
- Help Desk: Web application for internal management using Angular, Laravel, and MySQL.

Systems Technician | Clínica Chicamocha | 02/2019 – 10/2022

- Network administration, technical support, and data management using SQL Server.
- Developed institutional reports using PowerBI and Excel for national health entities.

EDUCATION & LANGUAGES

- Information Systems Development Technologist: Unidades Tecnológicas de Santander (2020 – 2025).
- Systems Technician: SENA (2018 – 2019).
- Languages: Spanish (Native), English (Intermediate - B1).
